Service Up-grade(s)

Delaware County Code Compliance enforces the 2019 Residential Code of Ohio. Please see section 105 of the 2019 Residential Code of Ohio provided below as you prepare to do work on residential properties.

Please be advised that replacement of any electrical, gas, mechanical, plumbing system, other residential building service equipment, or piping system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required approval.

Code **2019 Residential Code of Ohio**

SECTION 105 – **APPROVALS - 105.1 Required.** Any owner or authorized agent who intends to construct, enlarge, alter, repair, move or change the occupancy of a residential building or structure, or portion thereof, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical, plumbing system, other residential building service equipment, or piping system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required approval.

Application Application for Service Up-Grade(s) Permit

Permit Electric Permit

Fee $25 (Application Fee) + $75 + 1% State of Ohio fee = $101.00

These fees cover one trip. A partial inspection fee will be applied if multiple trips are involved (i.e. trenches, underground/overhead wiring, etc). This does not include reinspections. The fee does not include other electrical installations being performed in conjunction with the service up-grade(s) (i.e. sub panel, lighting, receptacles, etc). If additional electrical installations are proposed, such installations shall be indicated on the application and fees will be assessed accordingly.
