SEE REVERSE- CHECKLIST MUST BE COMPLETED

All submittals require **TWO complete packets**; each stapled together and all plan options clearly marked.

All required items **MUST** be submitted at the time of application. Packets that are missing required documentation **WILL NOT** be accepted by Delaware County Code Compliance.

***TWO** copies of each required item listed below must be submitted.*

Application requirements new homes, additions, accessory structures*, decks and pools**

- Certified house number (new homes and vacant lots)
- Zoning permit (DC400(3))
- Drainage permit (new homes, accessory structures, and pools (5 acres or more)) DESC (new homes (less than 5 acres))
- Plot plan showing the location of structure and driveway. (If required by the subdivision, the plot plan must indicate approved finish grade or finished floor elevation and proposed grading plan.)
- Septic permit if not on public sewer (new house or alteration of the septic system); Health Department approval letter if not on public sewer (additions and alterations) (DC400(3))
- Complete set of Plans (Based on the 2019 Residential Code of Ohio)
- Manufactured housing units; provide supplemental form identifying the installer or installers by name and license number.
- *POLE BUILDING drawings also require a sealed engineered plan for buildings that exceed the minimum requirements of section 324 of the 2019 Residential Code of Ohio. (Ask for a residential accessory building handout.)
- **POOL submittals must also include a completed swimming pool information sheet.

***TWO** copies of each required item listed below must be submitted.*

Application requirements for alterations and basement finishes

- Zoning permit (if required by the Township) (DC400(3))
- Septic permit if not on public sewer (new house or alteration of the septic system); Health Department approval letter if not on public sewer (additions and alterations) (DC400(3))
- Complete set of Plans (Based on the 2019 Residential Code of Ohio)

The two complete sets of required construction drawings for additions, alterations, basement finishes, accessory structures and new homes shall also include the information listed below before full plan approval can be granted.

***TWO** copies of each required item listed below must be submitted.*

- Signed Model Energy Codes, 2018 IECC version or newer, (not required for basement finish)
- Foundation designs per RCO 2019 (not required for finish basement)
- Manual J if using existing heat system (not required for finish basements if insulating basement walls with R-11 or better)
- Light and vent schedules (not required for accessory buildings)
- Stamped truss drawings and truss layout sheets at time of submittal (if applicable)
- Pre-engineered floor joist layout drawings from manufacturer (if applicable)
- HVAC drawings (show location of furnace and hot water tank, BTU rating, register location and size, proposed duct location and size)
- Electrical drawings per NEC 2017 (show panel size and location, service riser diagram, fixture layout, receptacle and switch locations, smoke detector locations, conductor size)

ALL ITEMS LISTED ABOVE ARE REQUIRED TO BE SUBMITTED FOR PLAN APPROVAL. ADDED FEES FOR ADDITIONAL REVIEWS WILL BE ASSESSED IF ITEMS ARE NOT PROVIDED AT TIME OF THE INITIAL APPLICATION.

I hereby agree to the above conditions.
