City of Sunbury Building Department jurisdiction transfers to Delaware County

On August 8, 2022 the Delaware County Commissioners, City of Sunbury and the Delaware County Department of Building Safety approved an agreement between the jurisdictions to have the Delaware County Department of Building Safety perform for the City all necessary residential and commercial plan review, permitting and inspections as required by the Building Code, except plumbing and medical gas.

Effective October 1, 2022 Delaware County will begin accepting all new submittals for permitting that are in the City of Sunbury. Any project currently under the jurisdiction of the City of Sunbury or the State of Ohio will need to be completed (Certificate of Occupancy or Completion issued) with that jurisdiction.

All application submittals can be dropped off to our office at 50 Channing Street, Delaware, Ohio 43015. Submittal requirements can be found on our website <https://buildingsafety.co.delaware.oh.us/>
