

Our inspectors will be attending a training class today, 12/8/23. Please be patient as some of your inspections may roll to next week. Please call your assigned inspector if you have any questions.

Delaware County Daily Inspections

Date Range Between 12/08/23 to 12/08/23

***Our office completes inspections M-F 8am-3pm (hours may vary).**

**** An inspection with a time of 8am will happen at any point during business hours.**

***** Please note the provided time of inspection is an approximate time. Please allow a minimum of a two hour window (one hour before and one hour after the listed time) for the inspector to arrive to the site.**

****** Not all inspections will be given a time. We only schedule times for footing inspections, gas pressure tests and occupied homes, all other inspections will happen at any point during business hours and will not be given a specific time or window of time.**

Our inspectors will be attending a training class today, 12/8/23. Please be patient as some of your inspections may roll to next week.

Please call your assigned inspector if you have any questions.

Delaware County Daily Inspections

Date Range Between 12/08/23 to 12/08/23

***Our office completes inspections M-F 8am-3pm (hours may vary).**

**** An inspection with a time of 8am will happen at any point during business hours.**

***** Please note the provided time of inspection is an approximate time. Please allow a minimum of a two hour window (one hour before and one hour after the listed time) for the inspector to arrive to the site.**

****** Not all inspections will be given a time. We only schedule times for footing inspections, gas pressure tests and occupied homes, all other inspections will happen at any point during business hours and will not be given a specific time or window of time.**
